1	The Chester bus tour was actually cancelled, through no fault of the organiser	10/16/2018 9:03 PM
2	The Chester bus tour did not happen because the buses did not turn up,	10/15/2018 10:26 AM
3	What Chester bus tour?	10/15/2018 10:08 AM
4	Chester bus tour was cancelled, and we went on or own walking tour.... City center very nice and enjoyable. We took a City Sightseeing bus what took us all around the main attraction points of the city.	10/9/2018 5:11 PM
5	Chester tour: Bus did not participate !	10/8/2018 6:31 PM
6	The golf course was not great, but the company was excellent and it was fun! Lucky with the weather.	10/8/2018 5:29 PM
7	The guides in Chester and Liverpool were very good—articulate, informative, and easy to hear. Also, their pace was just right. Also, appreciated having smaller groups.	10/8/2018 12:20 AM
8	The guide for Chester was not very knowledgeable. She was far better when we got to Liverpool as this was her area. The Bus Tour was non-existent as the bus didn't turn up!	10/7/2018 8:47 PM
9	The last minute cancellation of the Chester bus tour was unfortunate. Could it have been avoided by the Alliance organisers checking with all such suppliers a few days previously? Although out of anyone's control the Wales trip was somewhat spoilt by the cold wind (both at the castle and the canal). Perhaps it wasn't the best time of the year to make this part of the trip. Also, the canal trip would probably have been more impressive by foot, rather than being in a very crowded barge.	10/6/2018 2:11 PM
10	Overall well organized and went without a hitch (except for bus tour)	10/5/2018 6:12 PM
11	Chester guides of different competencies, some too verbose, others having difficulties to maintain their groups (as usual)	10/5/2018 3:56 PM
12	Mishap with the City Bus Tour but I took it anyway with a "standard" double-deck bus. The problem for both the Bus and the Walking Tours was that the city "noises" very much covered the comments. nothing that you could do to improve that.	10/3/2018 11:16 PM
13	Tour guides were excellent for the Chester walking tour and the Liverpool city tour.	10/3/2018 10:49 PM
14	The Liverpool city tour was short and in an enclosed coach. Not the best for an "experience".	10/3/2018 9:13 PM
15	Our Chester guide was a bit uninspiring	10/2/2018 10:22 AM
16	THE CASTLE TOUR WAS A LET DONE	10/2/2018 8:40 AM
17	bus tour was canceled	10/1/2018 6:16 PM
18	The unfortunate "no-show" of the Chester tour bus did nothing to spoil our enjoyment of the city. It just meant that we could spend time exploring what we had missed on the walking tour.	10/1/2018 5:15 PM
19	I believe that the Chester and Liverpool tours could have been more complete. I mean, once we are doing it, they could have been more fruitful.	10/1/2018 4:34 PM
20	Chester Walking tour was a bit overcrowded	10/1/2018 3:05 PM
21	Our Chester guide wasn't really that knowledgeable, after comparing notes with the other walking group. We changed guide for the next day at Liverpool, excellent. I think the idea to have "free" time after the Maritime lunch was very good.	10/1/2018 11:25 AM
22	Very good guides !	10/1/2018 10:46 AM
23	VERY GOOD TOUR GUIDES.	10/1/2018 10:34 AM
24	was part of the bus tour that didn't work out- not a big deal!	10/1/2018 10:08 AM
25	Maybe too much time in Liverpool; could have offered time slots with buses every 2 hours.	9/30/2018 10:21 PM
26	Tour guide in Liverpool was very good. Could easily spend a few days in Liverpool.	9/30/2018 3:44 PM
27	The only tour we attended was well organised and very interesting.	9/30/2018 3:04 PM

1	Best timing in a long time!	10/11/2018 8:24 AM
2	A larger conference / meeting room	10/9/2018 12:50 AM
3	Not that I have a wife anymore, but she was key to my time in Schlumberger. I was surprised to find wives are not actively encouraged to attend and contribute to the AGM. If necessary the constitution needs changing.	10/8/2018 5:41 PM
4	BACO and RK managers used to attend (Budapest). A lot more knowledgeable and informative and helpful. Rheza really doesn't add much value because he doesn't seem to know who really does what. He was mixing up the two roles. We revert to going over his head and he scolded us for it but I can understand the frustration from this disconnect	10/8/2018 2:24 PM
5	DMP and Pension presentations very sketchy. No real analysis presented by Reza, only statements. Very interesting presentation by Mr. Domeracki.	10/5/2018 4:02 PM
6	A larger room.	10/3/2018 9:16 PM
7	The latest in technical/marketing advances of the company periodically would be interesting	10/2/2018 7:17 PM
8	The conference facilities could have been better.	10/2/2018 5:17 PM
9	Room was a bit small considering the number of attendees .	10/2/2018 5:01 PM
10	Reduce the usual problem of background chatter while presenters were answering questions. Although better than at some recent reunions, it was still sometimes difficult to hear the answers.	10/1/2018 5:22 PM
11	It would actually be nice to have a "less rigid" presentation from Schlumberger. Have more time to talk.	10/1/2018 4:38 PM
12	The room was a little small for the number of participants	10/1/2018 12:49 PM
13	SLB place in the oil business , organisation,wireline trends/share ,SLB companies,compétition ...	10/1/2018 12:49 PM
14	The conference room was a little small for the numbers that attended.	10/1/2018 11:30 AM
15	The room was a bit small (many participants).	10/1/2018 10:51 AM
16	a ~15 minute oil market update would be interesting	10/1/2018 10:06 AM
17	More question time and debate.	9/30/2018 8:53 PM
18	First one for me. Might have been good to welcome new members by asking them to stand up.	9/30/2018 3:56 PM
19	Spouses to attend; open the floor to new ideas from members; need to aim to be more than a travel planner	9/30/2018 1:27 PM
20	None.	9/30/2018 1:26 PM
21	AGM was short of seats for all who attended	9/30/2018 11:27 AM
22	Try to insist that Members show up on time. People were still arriving 30 minutes after the AGM started. Provide enough chairs for the expected number of attendees! Pre-print a list of expected attendees so that Members only have to sign against their name. Passing random slips of paper around the room for sign-in was a shambles.	9/29/2018 8:49 PM
23	I am not a pensioner, so it was not too relevant to listen to the SLB HR people, but it was good to hear about future reunions and Alliance matters	9/29/2018 8:38 PM
24	More info on current SLB business (acquisitions, disposed activites, results) For example some info on the sale of the seismic activity or the termination of engineering at SKK.	9/29/2018 8:06 PM
25	More on IS Pensions.	9/29/2018 7:00 PM
26	Given the scope of topics, the almost 3 hours (?) was necessary. The SLB presentations must remain relevant to participants, giving them a feeling of inclusiveness, no matter how long ago they retired.	9/22/2018 8:39 PM
