1	good location and value for money. Near the main shopping area Friedrichstr. and close to public transport system.	7/12/2017 10:14 AM
2	Shower was dangerous, I told NH and they agreed, also the basin and tap were poorly designed, and NH agreed again. No WC on the ground floor, stupid for old people, of which there are many in Schlum.	7/2/2017 12:51 PM
3	Met our expectations as it was within walking distance to multiple places in Berlin	7/2/2017 11:09 AM
4	All great	6/29/2017 5:45 PM
5	The room was very clean,the bed comfortable.Good service.	6/29/2017 11:25 AM
6	Elevator programmation not up to usual standards for this class of hotel	6/29/2017 8:46 AM
7	They could not find anyone to fix our hotel room door during our stay, it took a lot of force to open!	6/29/2017 12:01 AM
8	Excellent central location	6/28/2017 8:39 PM
9	Very quiet rooms	6/28/2017 8:31 PM
10	Very comfortable and helpful staff	6/28/2017 3:24 PM
11	It is not usual that the hotel charges one breakfast extra for double room booking daily !!!	6/28/2017 1:20 PM
12	friendly staff, room insufficient aircon, just Little room for hanging Dresses, 2 tiny drawers, NO room at all for laying down T-Shirts, etc., huge mirror Standing in room where a closet could have been easily fitted. Bathroom had just 1 rail to hang up towel for drying, barely any room for placing bathroom bag, plenty of room for shelf under Hand wash basin available but unused. Breakfast good... but running out of bowls and plates to put it on!! Lifts not coordinated and therefore waiting up to 10 minutes to get down from Floor 7 Location of Hotel excellent.	6/28/2017 11:58 AM
13	Poor service from the hotel : - Reservation (twin bed requirement for which they were not willing to commit). -Recurrent problem with magnetic key they were unable to fix over the 4 days. - Somme unfriendly personnel at the reception	6/28/2017 9:23 AM
14	No	6/27/2017 5:26 PM
15	While individual staff members were excellent, there appeared to be a surprising systemic failure in responding appropriately to minor shortcomings.	6/27/2017 1:59 PM
16	ok, except for hazards bathroom : Shower base extremely slippery. Safety grip missing. Nearly suffered accident. Reported this on checkout.	6/26/2017 10:55 PM
17	an excellent choice	6/26/2017 10:00 PM
18	Good situation,poor room standard,wc in bathroom for example.	6/26/2017 9:59 PM
19	Erratic lifts ! Crowded breakfast area, they seem not at ease with big group...	6/26/2017 4:11 PM
20	Some members of the staff were excellent, some definitely not. However, breakfast was very good, not to say perfect.	6/26/2017 3:47 PM
21	Good service from staff,	6/26/2017 10:38 AM
22	Confortable room and good breakfast. Service at bar sometimes under par.	6/25/2017 5:36 PM
23	Very nice room, friendly staff, good restaurant food. A few minor quibbles: A/C not too good, coffee and tea supplies never renewed, room cards constantly demagnetised. Only worth mentioning because it is a 4* hotel	6/25/2017 5:05 PM
24	Trouble with room keys (confusion with POPPINGA, only worked for one day) Lifts, as usual, very slow and stopping often with no-one to pick up. Breakfast EXCELLENT!	6/25/2017 4:37 PM
25	Complimentary welcome drinks at the lobby is very appreciated especially after visits in such hot weather. Elevators are not synchronised, guests have to wait for long time in rush hour.	6/25/2017 3:18 PM
26	not really a collection hotel: kitchen ran out of eggs at breakfast the last day, lifts are not synchronised, but overall pleasant	6/25/2017 3:00 PM
27	Very clean. Very good service. Excellent breakfast.	6/25/2017 1:19 PM

Reunion survey

28	Very well located	6/24/2017 9:35 PM
29	it was lovely I would like a bath tub rather than a shower but it is not essential as long as I have a bathroom.	6/23/2017 6:33 PM
30	Layout for buffet & breakfast could have been streamlined	6/23/2017 11:46 AM
31	Good location, helpful staff, breakfast layout took some learning!	6/22/2017 8:00 PM
32	Very friendly ...	6/22/2017 3:32 PM
33	Excellent Service, servants very polite	6/22/2017 1:13 PM
34	Well, i think I have some complaints about cleaning of room...	6/21/2017 7:27 PM
35	A SPOTLESS HOTEL WITH EXCELLENT SERVICE-PEOPLE. VERY COMFORTABLE AT A FAIR PRICE.	6/21/2017 2:28 PM
36	Generally, nice staff, great breakfast, room fine. Negatives: Restaurant price for quality, Air conditioning hardly works (very hot Sunday June 18th/Monday June 19th), coffee and tea provided in room but never refilled daily, room left for hours at a time to be cleaned, but returning mid to late afternoon, still not done. Little things, granted, but it is after all a 4* hotel, so worth mentioning.	6/21/2017 11:20 AM
37	Booking has ben a nightmare.	6/21/2017 7:47 AM
38	Booking very far below what could be expected from a 4 stars hotel. Website not working. Booking by mail with too many errors which took too long to be fixed.	6/21/2017 7:23 AM
39	Expected standard	6/20/2017 9:49 PM
40	Very modern, nice and very clean, excellent service, helpful and polite staff.	6/20/2017 7:41 PM
41	Generally excellent, but our "double" room had 2 twin beds pushed together. Also just a shower - no bath.	6/20/2017 6:56 PM
42	very good location	6/20/2017 6:25 PM
43	Excellent breakfast and great location	6/20/2017 5:43 PM
44	central location - friendly and helpful service	6/20/2017 4:33 PM
45	Good value overall. Rooms were just right in size. Wi-fi worked reasonably well, but was limited. Breakfast was very good and well managed for such a large group. We ate one other meal (outside of breakfast and the welcome dinner) and thought the food was OK, but the service was not very good.	6/20/2017 1:28 PM
46	- room already occupied - noisy air conditioner that I could not control, otherwise very comfortable room. - lifts are not benefiting from the latest firmware I think - the staff seems to be new in their job but overall good service.	6/20/2017 11:06 AM
47	Excellent polite service, efficient and helpful staff, modern and clean everywhere.	6/20/2017 10:12 AM
48	Room employees a bit tight with soap, shampoos (no refill in 3 days)	6/20/2017 9:49 AM
49	Good choice - had all the facilities needed	6/20/2017 9:48 AM
50	We were given a junior suite for the same rate, breakfast excellent. Like all the reunions, it is going to be a busy feeding all the people at one time. I thought the hotel dining space was very good and accommodated everyone.	6/20/2017 9:40 AM
51	Nice but room noisy	6/20/2017 8:59 AM
52	plenty of small annoying things	6/20/2017 8:36 AM

1	on the river cruise event a buffet was not a good choice. Better would be to serve just some snacks as we are generally not too hungry although the rush to the buffet does not support this. To serve some Curry sausages and Berlin meat balls with french fries would have been sufficient	7/12/2017 10:18 AM
2	Nolle much too noisy for people with hearing aids, with train noise quite loud.	7/2/2017 12:54 PM
3	All places were ideal except the river cruise, limited space did not allow it to be the best environment until after dinner.	7/2/2017 11:11 AM
4	Sorry but a bit of a fiasco....Dinner & buffet areas too small. Tables too narrow. Not enough glasses, cutlery, etc. Food quality below standard. We saw some other boats with great set-ups. Even one of the maitres agreed that this boat was not made for that dinner.	6/29/2017 5:50 PM
5	The long queues during buffets, especially during the river cruise, can be a bit painful	6/28/2017 8:45 PM
6	Please no more buffet meals!	6/28/2017 8:40 PM
7	Spree Cruise: the buffet area was too cramped for so many of us. Also I had the middle seat and found it difficult to get out. I would have enjoyed the views better had I been on the upper deck.	6/28/2017 3:27 PM
8	Badly organised buffet.....long, long queue !!! (175 attendants should not be an excuse. NH Hotel) Music during the meals is very disturbing. Impossible to talk above the noise. (Nolle and Gendarmerie)	6/28/2017 1:32 PM
9	We arrived at 1 PM at Restaurant "Nolle". They let us wait for 30 minutes to serve the starters and then again another 30 for the main Course. We were supposed to be back on the bus at 2 PM but could not get back before almost 3 PM when the tour guide had finished his Service. Consequently we missed 1 hour of City touring. Very unfortunate.	6/28/2017 12:05 PM
10	- Queuing problems at "Welcome diner" - Problem of organisation on board	6/28/2017 9:25 AM
11	well organized	6/27/2017 7:19 PM
12	a pity always very noisy...	6/27/2017 5:47 PM
13	Spree river cruise: all dishes were brought together; therefore, an excessive RUSH	6/27/2017 5:29 PM
14	River cruise dinner was a little crowded and long waiting time in the queue	6/27/2017 4:47 PM
15	baddly organize	6/27/2017 4:34 PM
16	Lacked time twice and space once	6/27/2017 4:27 PM
17	dinner on the river cruise was too crowded	6/27/2017 4:02 PM
18	Meals not up to standard of previous Alliance gatherings. River boat definitely over-crowded and chaotic.	6/27/2017 3:58 PM
19	We should have had dinner at a good and typical restaurant and then the rivercruise without meal	6/27/2017 3:26 PM
20	Gendarmerie was a nice location but meal was a little disappointment!	6/27/2017 2:52 PM
21	Spree river cruise meal service was poor. The boat selected was inappropriate for the numbers, with bench seats like an aircraft, narrow passageway, and not enough space for buffet self-service. The waiter service for drinks was lamentable. Some other river cruisers seen were equipped with tables, chairs, wide passageways, and water service. This should have been selected for us.	6/27/2017 2:02 PM
22	Basic service at Zur Nolle and Bornstedt : No dessert, no coffee and problems with wine service Gendarmerie OK but chicken served instead of pheasant on original menu. Good band. A bit cramped for dancing.	6/26/2017 10:17 PM
23	Buffet style serving at the welcome dinner was a little tedious	6/26/2017 10:04 PM
24	interesting sweets or coffee choice !! Barrel organ was awfully noisy and unnecessary, we were doing enough noise by ourselves !!	6/26/2017 4:18 PM
25	I was surprised and disappointed with the lack of coffee and puddings after meals, but understand this is the way it is done in Germany.	6/26/2017 3:52 PM

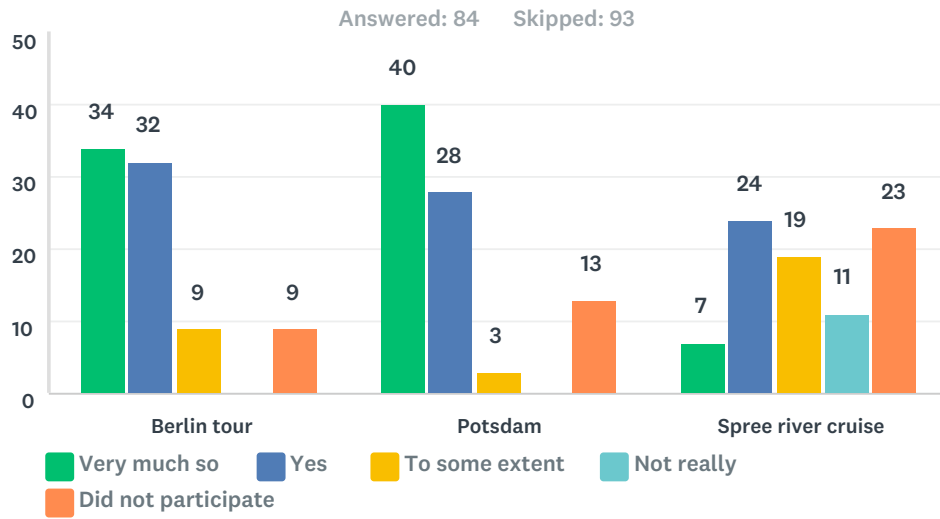

Reunion survey

26	Access to buffet table by table would have helped	6/26/2017 10:59 AM
27	Not impressed by the organisation by GermanyConcierge (contractual updates not communicated to restaurants, very average food quality .	6/25/2017 5:38 PM
28	In this dining situation, it's the conversation and camaraderie that are more important than the food itself, in my opinion.	6/25/2017 5:09 PM
29	In Prague: too many dumplings. In Berlin: too much sauerkraut!	6/25/2017 4:38 PM
30	Dinner on Cruise was a "zoo"	6/25/2017 4:11 PM
31	Quality of food is good in general. Restaurant capacity (e.g. NH hotel & River cruise: long queue for buffet) and duration (e.g. Nolle: 2 hours for lunch) could be planned better.	6/25/2017 3:28 PM
32	buffet meals vastly underdimensioned, especially on Spree boat. a desert at Nolle would have been appreciated.	6/25/2017 3:00 PM
33	the buffets were not very well organized for so many people. For the cruise a "plateau repas" would have been more appropriate.	6/24/2017 9:40 PM
34	Disappointing dinner cruise with little value for money, cramped boat, lousy wine...sorry I am French...	6/23/2017 10:56 PM
35	The meals were light and a good mix of vegetables. I downgraded the River Cruise dinner because the wine or beer were included in the deal but I had to pay for my soft drink and coffee.	6/23/2017 6:35 PM
36	Layout of buffet in NH hotel	6/23/2017 1:14 PM
37	slow service at Bornstedt; Dinner on the cruise was very crowded and long queues; Only one drink at Nolle	6/22/2017 8:55 PM
38	bad organisation for the cruise	6/22/2017 6:59 PM
39	the Buffet Dinner during Spree cruise suffered by the non-existing discipline of the people	6/22/2017 1:17 PM
40	yes; about the river cruise dinner: the space and circulation was not appropriate for a buffet.	6/21/2017 7:29 PM
41	WAY TOO MUCH FOOD! OLD FOLKS LIKE ME CANNOT EAT THREE FULL MEALS A DAY. LUNCHES TOOK TOO LONG. EVENING MEALS WERE CHARACTERIZED BY VERY SLOW SERVICE.	6/21/2017 2:33 PM
42	Buffet on a small boat!	6/21/2017 11:37 AM
43	DESSERT and COFFEE ! Boat: too crowded, all courses served at the same time. Nolle, Gendarmerie, and Bornstedt restaurant room were nice.	6/21/2017 7:52 AM
44	Dessert and coffee missing!!!! Boat much too small, for the number of people (dinner on a bateau-mouche in Paris much more enjoyable as there is space, we can even dance!)	6/21/2017 7:30 AM
45	NH hotel buffet chaotic for welcome dinner, huge queue for salads and tables of 4 prefer larger round tables for meeting up again. nolle was very very slow to get started, long wait between the courses. Generally lack of coffee both during the day and after dinner. Only 1 desert. Food quality was good.	6/20/2017 10:00 PM
46	Nolle lunch only 2 courses, food too greasy, poorly presented, very slow service, not enough time to enjoy my friends' company. Spree river cruise - rude & slow staff, not enough glasses, self- service buffet in narrow passage, people packed together pushing to get to the buffet, very hot ambiance. Not an elegant experience.	6/20/2017 7:49 PM
47	Good variety of meals. I was amazed that on the river cruise the crew were clueless as to how to manage buffet traffic flows for a group of our size.	6/20/2017 6:59 PM
48	individual food portions were generally too big: food plates on the table for several people like at Bornstedt might be a better option, or individual lunches where feasible (if several restaurants or coffee places are available). Lunch breaks could be shorter than the 2 hrs we had.	6/20/2017 6:30 PM
49	no deserts & no coffee or tee :(	6/20/2017 5:45 PM
50	The food at all the meals was a good choice but the buffet on the cruise was chaotic and the seating arrangements at the Welcome dinner were not comfortable and felt like being at a fast food chain.. The Gendarmerie was wonderful	6/20/2017 2:26 PM
51	Difficult with the number of people participating	6/20/2017 1:40 PM
52	A buffet for a large crowd always seems to be a problem...people act like there won't be anything left so there is a big rush (and crush). They could have controlled the tables, sending one at a time. For both buffets, the food was fine, but you had to fight for it.	6/20/2017 1:31 PM

Reunion survey

53	Excellent food and service overall. Thanks for these choices of restaurants. Spree river cruise: good food but difficult to get	6/20/2017 11:09 AM
54	Lunch at Nolle was only 2 courses and they were slow. All restaurants were very noisy and especially on the boat (I have a hearing problem) but I guess that this cannot be avoided with 170 participants...	6/20/2017 10:14 AM
55	River Cruise meal OK organisation disaster no glasses no forks !!!! Tables 40 cm wide !!!	6/20/2017 9:55 AM
56	I am not a fan of buffet. Round tables for about 10 are preferred. to allow you to meet other participants. On the dinner cruise, the crew should have organised the queue for food by staggering tables going to the buffet	6/20/2017 9:53 AM
57	The Gala Dinner was the most disappointing. A very poor "conference" type meal. The Crown Estate was a great location, didn't really see the display, and we had to dash off without coffee or dessert.	6/20/2017 9:44 AM
58	the boat meal was fine, but very badly organized	6/20/2017 8:39 AM

1	No place left on English buses, my French is not as good as it should be.	7/2/2017 12:55 PM
2	No comments	7/2/2017 11:12 AM
3	Spee river cruise was not a cruise but a dinner on a boat not organized for full dinner. Not much to see on the sides of the river from this boat too low and covered. Only the open top deck could allow something to see.	6/29/2017 8:53 AM
4	The guides were excellent and pleasant . Obviously 3 hours for a city like Berlin can only give a flavor of the city .	6/28/2017 8:48 PM
5	Missed seeing Sans Souci	6/28/2017 3:28 PM
6	The Berlin tour guide on our bus had obviously a bad day!! A bit of friendliness would have been welcomed. The Potsdam tour guide (Rudolf Gellert) could not have been better. He was a delight to listen to and obviously very dedicated to Berlin and its history.	6/28/2017 12:15 PM
7	The guide of Berlin's tour was very much interesting in French and in English.	6/28/2017 9:27 AM
8	ok ,no comments excellent guides	6/27/2017 5:53 PM
9	In Potsdam, too much walking.	6/27/2017 5:30 PM
10	A lot of time was spent on the bus during the Berlin Tour and perhaps more time could have been spent walking	6/27/2017 4:49 PM
11	River cruise too crowded below decks; would have liked more time on deck enjoying the sights	6/27/2017 4:01 PM
12	tour guide at the Berlin tour too much bla,bla,bla not focusing on fewer but important issues	6/27/2017 3:28 PM
13	Spree river cruise would have been interesting, with wonderful river views of a lively city, but the participants' time and effort was concentrated on acquiring food & drink. Some abandoned dinner, went on the top deck, and enjoyed the cruise. This turned out to be the best idea of the evening.	6/27/2017 2:04 PM
14	We had a very good guide in the English speaking bus but lack of control of number of passengers as we usually have by the board members.	6/26/2017 10:19 PM
15	Our guide was perfect ... She was clear, witty and smiling.	6/26/2017 3:53 PM
16	Guides were very good, clear with deep background knowledge of the city and its history	6/26/2017 10:59 AM
17	Relatively little to see in Potsdam. Waiting time excessive.	6/25/2017 5:39 PM
18	I'm wondering if another of the chateaux in Potsdam might not have been visited? The interior rooms of the one we visited were generally dark and overbearing.	6/25/2017 5:11 PM
19	Berlin tour was too general and too much time sitting in a bus. Furthermore our tour guide was difficult to understand and had no "personality"	6/25/2017 4:12 PM
20	Berlin tour: Bus tour is difficult in such narrow streets, we had rare opportunity to get off and take photos. Our guide (English bus 1) did not give enough interesting information except pointing out the buildings passing-by. It seems other groups have better experience. River cruise: there is no audio guide.	6/25/2017 3:46 PM
21	Berlin tour too fast and expedited, would have been worth leaving at 8:30 and spending more time walking in interesting spots, e.g. painted wall. Potsdam should have been king palace rather than guest castle, especially since the French group managed to see both, so we were cheated by our guide.	6/25/2017 3:01 PM
22	During the cruise I was expecting some comments	6/24/2017 9:41 PM
23	River cruise was ok, dinner lousy	6/23/2017 10:56 PM
24	I found the tours to be an excellent mix of the past history and the near cold war history. The river trip was excellent and more people should have gone to the top deck.	6/23/2017 6:36 PM
25	Too much walking and not enough free time/ toilet breaks at Potsdam	6/22/2017 8:55 PM
26	Boat too small for the amount of people	6/22/2017 7:00 PM
27	the Berlin City tour suffered from the traffic and the numerous building sites.	6/22/2017 1:20 PM

1	I would have appreciated a talk about new technical approaches and invention on wireline and petrophysics.	7/12/2017 10:21 AM
2	Enjoyed the meetings specially the Schlumberger presentations	7/2/2017 11:15 AM
3	Interesting talk of De Nollet on SLB prospects	6/30/2017 10:10 AM
4	"berlin2017" was a complete success. Anita and myself will gladly remember these days.Thanks to the colleagues (Werner and Günter) and to the managemrnt (Pierre and Daniel) who have spared no effort.	6/29/2017 2:18 PM
5	Information on Schlumberger topics should not be treated as confidential for Alliance members.	6/28/2017 1:40 PM
6	Alliance need as number one opportunity to grown open to Women they are so many in Schlumberger group but we see very few at Alliance it must be one of the way to work on	6/27/2017 4:39 PM
7	There were some comments and criticisms about the appropriateness of the very frank Schlumberger presentation by the Schlumberger Chief Economist, Gilles de Noblet. I found it refreshing, in these hard times for the oil & gas industry, to hear that even Schlumberger, the most successful of the o&g service companies, has difficulty in predicting even the mid-term future. Some other participants severely criticized this frankness, that such a presentation should be limited for corporate management ears only, not to be leaked to shareholders, and especially not to stock analysts. However, I think this latter opinion is faulty. I am amazed and pleased that Schlumberger management continues to treat the Alliance membership as a very privileged group, and make such frank presentations without fear. We should strongly continue to nurture this privileged relationship.	6/27/2017 2:11 PM

12	I was disappointed to see that Reza did not present anything on BACO, neither had we the time to ask questions; I attended the Myanmar gathering and BACO did a short but simple presentation; it looked to me as we were trying to exfiltrate Reza Rahim...	6/23/2017 11:00 PM
13	everything OK	6/21/2017 7:33 PM
14	I STILL WISH WE COULD MEET AT A DIFFERENT TIME NOT IN THE BEST PART OF THE DAY. FOR EXAMPLE, RIGHT AFTER THE WELCOME DINNER IS BETTER THAN THE AFTERNOON BEFORE THE GALA DINNER	6/21/2017 2:44 PM
15	The review of Cigna survey and any outstanding issues was craftily avoided by Dubai saying the report would come out soon BS! There was no support mentioned for alliance as a second and only route to slb mgmnt for dmp issues that are not efficiently resolved by Dubai. I formed the impression that dmp/cigna issues were rather "gagged" by Dubai and Sarah Moise who had been welcomed to previous reunions (Vienna) and now seems to have distanced herself/organisation from us. Also pension is an issue so why not review the sujet and why slb has deferred adjustment despite positive gains n the stock market. The NAM pension is well funded. Econmic review was interesting but would have also liked something on how slb is doing technically with new advances.	6/20/2017 10:20 PM
16	Thought that the industry overview for SL was excellent. Otherwise everything was very good and ran to time!	6/20/2017 7:07 PM
17	A big thanks to our Alliance committee and Pierre Rochette!	6/20/2017 6:37 PM
18	hmm...I am not so sure the reasons it was focused so much on the nationality of current Alliance Member and the >50 and <40 nationality of current slb employees, and colored bars for Europeans and not Europeans. These might just reflects past and present SLB Business, M&A, etc. No comments if that was just the intention ...but one think I really loved is SLB diversity :-)	6/20/2017 5:57 PM

Reunion survey

19	I appreciated the new SLB organization presentation (even though I didn't fully understand it) because the co. needs to reduce the overhead that always grows in the good times. The oil/gas market supply/demand presentation was excellent, but depressing(!).	6/20/2017 1:46 PM
20	For the first time ever, the meeting ended on time!	6/20/2017 10:19 AM
21	I think the inclusion of the non wireline "product lines" in the future could result in a very large participation. This will make the events far more difficult to organise. The number of people in Berlin this year was "about right".	6/20/2017 9:55 AM

48	Splendid to see the old Intercoms again. I still have many, but far from all - wonderful! We all have photograph collections. When I have brought prints to share with Alliance members they have been very enthusiastically received. These are now very precious reminders of past times. Apart from those collected for the museum at Creve-Coeur has there been any initiative to share these among members? It is possible that cloud storage would now make this practical. If software could be offered for members to upload photos together with a separate list of the names of colleagues in the photos then it should be possible to assemble a database allowing members to click on their own name (or any other member's name) and be immediately linked to all the photos of the collection in which the member appears. Combinations, of keywords would make sorting very efficient e.g. name of the photographer, country (or base), date, subject (e.g. sand skiing), reference or even links to movie recordings etc.	6/22/2017 12:17 PM

50	Yes, after two meetings, it is very very important to ensure all facilities (Hotel, restaurants, Museums, boats, etc) has plenty of easy access to people with disabilities and elderly.	6/21/2017 7:39 PM
51	A VERY GOOD MEETING OVERALL.	6/21/2017 2:51 PM
52	Looks like there was no reconnaissance of the trips: no alternative solution thought of for disabled people (distance parking-restaurant in Potsdam) Provide a proper description of the visits regarding walking, stairs, etc so that handicapped people have a better idea of what they may have to face. Better menu specifications (dessert, coffee, drinks)	6/21/2017 8:10 AM
53	Make sure alternatives are available for disabled people. On the contrary think also that some people like to walk.	6/21/2017 7:44 AM

55	I missed entirely the cig,a desk. I was told i was sent an email but never saw that. Cigna has much improved so I dont really have any issues apart from the annual subscription methodology and associated bank charges which i continue to mention every year bu to deaf ears. Despite my comments I would like to give a big thank you to the organisers, great job, some new faces and some new old friends - great time.	6/20/2017 10:31 PM

57	Still room for improvement on the name badges. Both the safety pin and clip are very flimsy, and the clip does not allow rotation through 90 degrees. Magnet badges would be ideal, and it would be worth exploring if these could be used multiple times.	6/20/2017 7:16 PM
58	Au revoir!	6/20/2017 6:43 PM
59	I would love to be in contact with the SLB group in Canada if there is any. I just met an Alliance member from Canada the last 5 min before departure. If there is a group, please let me know who is the contact person.	6/20/2017 6:02 PM

65	Although we enjoyed our Sunday in Berlin (cycling and drinking bier in the Tiergarten), my wife would have loved to spend a couple of hours in the shopping malls, and I wanted to buy some wine. Maybe plan a couple of hours free time.	6/20/2017 10:04 AM
