Overseas activities

Jean-Luc Peron

Western Australia (Dave Kitson)

- BEESWAP (Barbecue Event for Ex Western Australian Schlumberger People)
- Yearly, last Tuesday in October, about 20 people; BYO.
- No local SLB office interest!

Argentina (Rodolfo Beylis)

- No formal association
- Monthly lunch of about 12 people

Other areas

- No feedback from usual Middle East or far East contacts, probably because of emails changes.

Overseas activities

Dick Ghiselin

NAM retiree organizations

They admit all former workers. They are:

Schlumberger Retiree's Club

- Mostly people from Gulf Freeway and Sugar Land
- Meet quarterly for luncheon and games in various parts of Houston

Padre Island Reunion

- Meet annually in the autumn at South Padre Island
- Draws from all of NAM. Many bring families.
- 3-4 days in hotel and ROVs

Calgary SOC Reunion

- Held usually in August. More details in Caen!

South Louisiana SPLASH

- Held annually on the first Saturday in May in Lafayette
- All ex-SLB people are welcome.
- Always a high level speaker from SL or NAM (*J.F. Poupeau this year*)

Comments

- I would be interested in an alliance meeting outside Europe from time to time.
- Try to attract more ex slb retirees from other country than France or UK , (very few Asians, Middle east, North Americans were presents)
- I was very pleased to meet so many friends and I am sure this was not the last time. However I was surprised that practically no younger members of the alliance did show up. Most of the participants were close to their 70th and older.
- Let's hope once the younger generations reach pension age, they will keep up meeting regularly.
- Need to get younger people involved
- I wish to suggest to contact the organizers of the ex-Flopetrol meetings which take place in June to avoid a clash of dates and allow participation to both events for those who wishes.
- THE REUNION SEEM TO BE ORIENTED TO EUROPE ONLY
- The grand scale of this adventure was conducive to encouraging new participants which I hope will lead to more participation and yet the opportunity to interacting will friends will develop in future
- → Need active integration with Brothers Reunited, not the opposite

**Let's be open !
to younger people and non-Europeans**
