Discover “The Mystical Maya World”

Merida, March 3rd to 7th 2023

Centuries before Europeans arrived, an advanced civilization flourished in a region extending from southern Mexico through Central America. The Maya mastered astronomy, developed an elaborated written language, built towering monuments, and left behind exquisite artifacts...

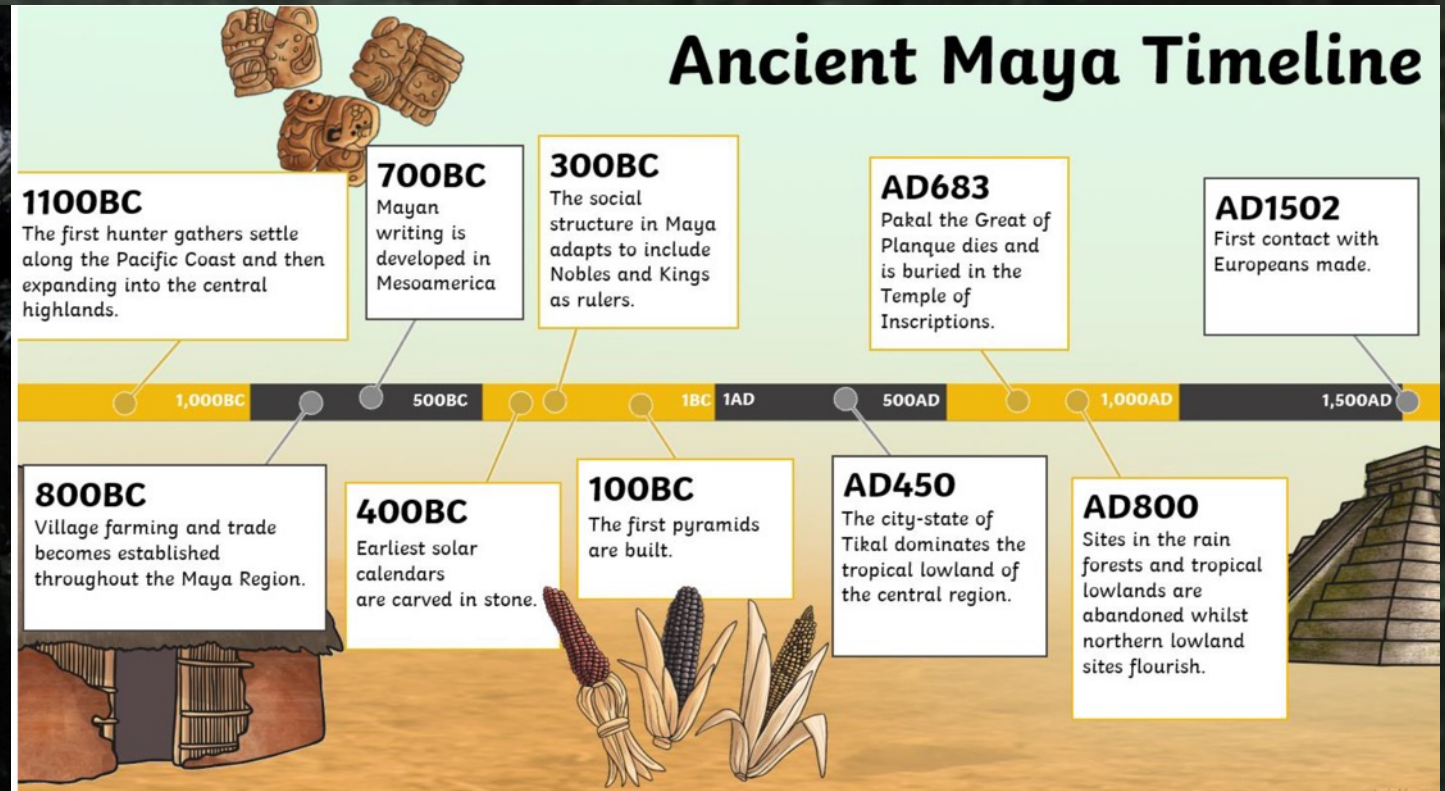

Their world remains shrouded in mystery....

Dare to discover their secret places....

Free Time in Merida

Friday: Main attraction is to visit restaurants and clubs along the [Paseo Montejo](#), you can walk or take a horse carriage

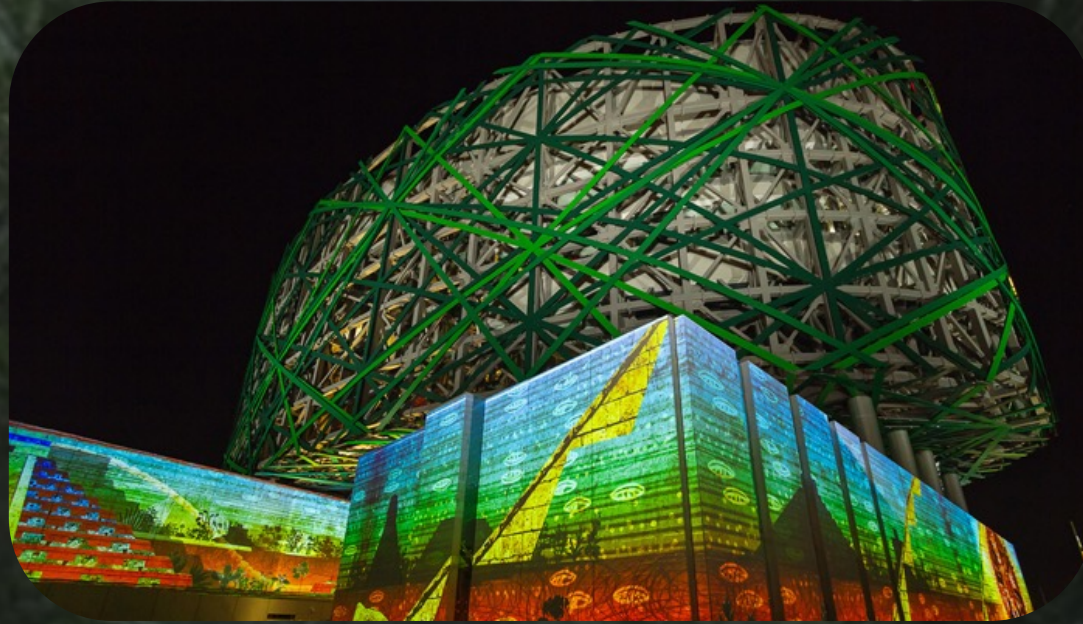

Saturday: Enjoy the Pok-A-Tok game at the Cathedral

[Pok-A-Tok](#) was a ball game played by the ancient Maya well over 1000 years ago in what's now Cancun and the Riviera Maya.

Free Time in Merida

Sunday: Watch the light show at the [Maya Museum](#)

Monday: By night at the Municipal House Immerse in one of Yucatan's most important traditions: [La Vaqueria](#)

It is a religious and economic celebration honoring the patron saint of either a Hacienda or a Yucatan village.

Free Time
in Merida

Everyday: You can enjoy the local
cuisine at [Parque Santa Lucia](#)

Tuesday: Join the locals to
dance at [Parque de Santiago](#)

or: A night snorkeling in
[Cenote San Ignacio](#) only 20
minutes from the city
