

Dear Rhine cruise participant,

The boat is now fully booked with confirmed participants. Some of you are already planning their trip to Strasbourg and sent us requests for early logistics information about the cruise, so here it is.

Formalities

According to the destination (France and Germany), make sure that your identity documents are up to date. An ID card or a valid passport is required.

Clothing

Allow for casual clothing throughout the cruise reunion and pack a rain gear in your suitcase. The storage capacity is limited in the cabins, there is no need to bring a large suitcase with elegant clothing. The gala dinner dress code will be **casual** as it was on the Douro.

Boat dock

The Rhine river port is located Gare Fluviale, 3 rue du Havre, 67000 Strasbourg. You may reach it by taxi, tram or car. See below for an access map to the Strasbourg river port.

If you are driving, an enclosed car park is available in the boarding area near the boat dock, with a charge of 8€/24 hours for cars. If you are arriving on the motorway from Paris on A4 or from Mulhouse or Colmar on A35, take the exit 4 Offenburg / Place de l'Etoile. Follow the direction toward Offenburg / Kehl N4-E52. At the 6th traffic light on your right, take the direction of "Zone portuaire Sud" - Rue du Havre.

You may also reach it by tram from downtown Strasbourg, followed by a short walk to the dockyard. Take line D (tram stop is 5' walk from the Cathedral) direction "Kehl Bahnhof" and get off at "Citadelle" stop. Take the bike path southward towards the port when exiting the tram and pass under the railway bridge. Directly after this, use the protected pedestrian passage that will take you to the sidewalk along the Croisi-Europe port. The entrance is 100m away.

Boarding

Boarding time is between 1700 and 1800. If you arrive early, there is a waiting lounge at the port station. The boat leaves that same evening, so don't miss it. Offboarding at the end of the cruise is at 9 AM, you may leave a bit later depending on your next schedule. Taxis may be ordered from the cruise desk on the boat the previous evening.

Money on board

All payments on board are in Euros: cash, checks, bank cards (except Electron and Maestro) are accepted. There is no currency exchange facility or ATM on board.

Navigation

For the safety of passengers, the captain and crew of the boat may decide to modify the navigational itinerary, e.g. in case of bad weather. Arrival times at ports of call and the order of the excursions may be adjusted accordingly.

We look forward to having you on board,
Best regards,
The Rhine organisation team
